A fun and nurturing environment in which a child's functional skills are developed through proven playtime activities, designed and supervised by a licensed pediatric occupational therapist.

The following classes are now open for enrollment:

Sign and Play 6 months – 2 1/2 years

- Weekly playgroup to facilitate normal child development and foster communication between parents and children
- Teaching non-speaking children to communicate with parents using simple sign language
- Led by an experienced speech pathologist with extensive expertise in early childhood education

Letters2Learn Ages 3 - 5

- Teaches letter identification and formation to enhance pre-reading skills
- Children form letters through movement and various activities such as play-doh, shaving cream, dancing and more.

Kindergarten Readiness Children entering Kindergarten in Fall 2011

Develops kindergarten preparedness skills in the following areas:

- Fine-motor (cutting, coloring, pasting)
- Gross motor (jumping, skipping and balancing)
- Social (learning to take turns, getting along with peers, etc.)

Let's Get Messy! Ages 3 - 5

- Develops a preschooler's sensory system through exposure to various textures. Children will paint using their hands (and feet!) in shaving cream, sand, etc.
- Builds hand strength and develops skills necessary for writing, tying shoes, and getting along with peers

Learn2Move Ages 3 1/2 - 6

- Play on a variety of indoor equipment including swings, trampoline, and climbing wall
- Group activities teach taking turns and getting along with peers

Learn2Write: Printing group: K - 2, Cursive group: Grades 3 - 5

- Improves handwriting in a fun and creative setting
- Small group settings use the *Handwriting Without Tears* approach, which encourages handwriting in simple movement patterns
- Teaches proper letter formation, correct pencil grasp

and more
